Good Tuning Notes

Flute
(or) (check for flatness)

Oboe
(for oboists who tend to pinch, this is good)

Bassoon
(or) (check for flatness)

Clarinet
(tune barrel) (pull at middle joint) (check for flatness)

Saxophone
young player older player puts it in context some do this

Trumpet
(tune Bb side first, tune main slide, tune F slide, check Bb side again some do this)

Horn
young player older player puts it in context to tune F attachment

Trombone
young player older player puts it in context some do this

Euphonium
young player older player puts it in context some do this

Tuba
